

CITY OF ENNIS FIRE DEPARTMENT

SCHEDULE A FIRE PREVENTION PROGRAM

The Ennis Fire Department is always happy to assist the community with Fire Prevention Programs for schools, churches, or civic organizations.

We have dedicated October as Fire Prevention Month. The Department goes to local schools throughout the City of Ennis to educate the children on various issues. The members put on an assembly demonstrating the importance of Fire Prevention. The assembly includes information on good and bad fires, the dangers of fire, smoke alarms, escaping a fire from the residence, the importance of crawling low in smoke, stop, drop, and roll, a demonstration of firefighter personal protective equipment, and a look into our fire apparatus.

Also partnered with our department are many businesses and individuals who sponsor monetary donations to be able to provide safety education material for all the children, Pre-K-5th grade. These materials have been designed exclusively by the National Fire Safety Council, a 501 (c) (3) tax-exempt, non-profit organization. This vital program will assist us in teaching children about fire safety. We strongly believe that by making children AWARE, we can prevent tragic fire loss and even death.

If you would like to schedule a fire prevention program, please complete the information below and email it to cwester@ennistx.gov or fax to 972-875-4615. You will be contacted upon receipt of this request to finalize arrangements.

If you need additional information, please call Chad Wester at 972-875-1234, Ext. 2242.
