Need to see a non-partner provider or have questions?  
Make the most out of your health plan, wherever you go for care.  
Call the member services number on your benefits ID card.

# Understanding Your Benefits ID Card

Your benefits ID card may look different from other cards you've had, but it has all the information you'll need about your plan.

## Your card includes the contact information for GPA, the main point of contact for your health plan. They handle it all!

- ✓ Answer all your questions - just call the phone number on the card
- ✓ Help you choose the right healthcare provider
- ✓ Send you an Explanation of Benefits (EOB) that detail your plan coverage for each claim

## Your health plan includes Imagine Health, and the logo will appear on your benefits ID card. This means:

- To find a participating Imagine Provider, **visit [providers.imaginehealth.com](https://providers.imaginehealth.com)**. When you visit an Imagine provider, you'll get quality care without having to worry about any charges beyond your plan's co-payment or co-insurance amount.
- Choose to visit a provider outside of Imagine Health, and you'll benefit from built-in price protection so you don't overpay.
- You can rely on Quest Diagnostics for all your lab-related diagnostic services. You also have access to all CVS MinuteClinic® locations nationwide.

## When you go to a provider for care, there are a few "rules of the road."

- At check-in or registration, provide your benefits ID card.
- If the provider does not recognize the Imagine Health logo or indicates they don't accept your insurance, encourage them to call the provider phone number to verify your eligibility for benefits.
- At any time, if you are asked to pay up front, immediately call GPA to speak to someone who will work through the issue right away.

***Have questions about your coverage? Call 800-827-7223.***

# Advocating for Members and Their Families

Personal and proactive outreach is the hallmark of the **Member Services team**. When you work with our team, you'll never stand alone in the face of resolving a bill for healthcare services that exceed your responsibility.

## How will you know if you're being charged too much?

After receiving medical care, you will get an Explanation of Benefits (EOB) from your plan administrator specifying what you owe for services. If you receive a bill for more than this amount, immediately contact ELAP.

## What will ELAP do for you?

Once ELAP receives your bill, you and your family are assigned a personal Member Services Advocate who will provide you with support every step of the way. After you give us written permission to advocate on your behalf, our team begins working to resolve the claim with your healthcare provider.

## Who can you call with questions?

Your dedicated Advocate is your main line of support, continually monitoring the progress of your account while proactively keeping you up to date.

Have a question? Call or email your Advocate at any time. You'll get a response within 24 hours. We are always here to help you better understand your plan benefits.

## Keep an Eye on Your Mail

If it sounds easy, it's because it is. If you receive any billing correspondence in the mail, send it to us right away.

Your Advocate will take it from there, keeping you in the loop throughout the process.

**Our Motto: Advocate, Engage, Empower.**

**Members and their families are at the center of all we do.**

# ELAP Facts and Questions

## 1. *What is the Claim Review and Audit Program?*

ELAP protects your Health Plan against unreasonable charges for medical services. The Program reimburses hospitals, doctors, and other medical providers in a manner that recognizes appropriate charges as defined by federal ERISA laws.

## 2. *Why is it so important to review each bill; isn't the price for medical care standard from one provider to the next or one patient to the next?*

**No.** The price of care from one provider to the next (or one patient to the next) can vary significantly. This is the issue. It is not uncommon to see prices for a procedure (surgery) vary from \$10,000 to over \$100,000 in the same region for the same operation. The price charged for an aspirin can be as much as \$8.00 in the hospital, and many other items are equally inflated. When your benefit Plan pays these inflated prices, even with a “discount,” this may result in overspending which can ultimately result in higher costs to you the medical consumer.

## 3. *What happens when ELAP audits a medical provider's bill and the provider is not satisfied with the Plan's payment?*

The Plan allows for two levels of appeal. The medical provider is encouraged to follow the appeal process to obtain higher payment if it can be justified. ELAP will utilize independent experts to address the provider's appeal and make every effort to keep charges consistent with ERISA Laws.

## 4. *Does ELAP audit every bill for our Plan?*

ELAP audits bills from all hospitals (and from other facilities such as nursing homes and rehab centers), all ambulatory surgical centers, and all dialysis clinics in excess of \$10,000 in billed charges.

## 5. *Don't some medical providers bill employees directly for amounts over the Plan's payment?*

**Yes.** This is known as a “balance bill.” If an employee is balanced billed by a provider, they should immediately submit this bill directly to ELAP. Once received, ELAP takes over all correspondence and communication should be between ELAP and the provider. ELAP will notify the provider of their representation of the employee in the dispute of their over charge. There are some cases where providers have computer generated automatic billing services and in that case, the employee may receive several follow up statements. These should be forwarded to ELAP as soon as they are received. Of course in the case of any phone calls or collection agency service, the caller should be provided ELAP contact information. These services are provided by ELAP at no charge to the employee or covered dependent.

Available to all enrolled employees

## How it Works

- Employees who have at least one cleaning and exam in a policy year but spend less than 50% of the policy year maximum benefit, can enjoy a higher max benefit amount in future years
- Employees can roll over 25% of the policy year maximum benefit dollars to the next year
- A higher max in future years makes the plan more valuable to keep in place
- Adjusted annual maximum can grow up to 2x the policy year maximum benefit
- Employees can track available max dollars through [mutualofomaha.com/dental](http://mutualofomaha.com/dental)

Rollover benefit is administered automatically for all enrolled members.

Example 1:	Example 2:
<p>The member's plan has a \$1,000 annual maximum.</p> <p>During the plan year, the member has two cleanings and examinations and one set of X-rays for a total of \$200 in services.</p> <p>The member can rollover \$250, or 25% of the policy year maximum.</p>	<p>The member's plan has a \$1,000 annual maximum.</p> <p>During the plan year, the member has one cleaning and examination and two root canals for a total of \$900 in services.</p> <p>The employee is not eligible for rollover because they spent more than 50% of their policy year maximum.</p>

Note: Member must satisfy any benefit or late entrant waiting period to be eligible for max rollover. Not available with PreventiveEdge.®

## An Added Bonus for Takeover Plans

The employer must provide a report from their current carrier showing each member's rollover amount.

# Flexible Spending Accounts (FSA)

City of Ennis provides all eligible employees with the opportunity to pay for out-of-pocket medical, dental, vision and dependent care expenses with pre-tax funds through the Flexible Spending Account. You can save approximately 25% of each dollar spent on these expenses when you participate in the FSA.

**Medical Expense FSA** – Out of pocket medical, dental and vision care expenses can be made with pre-tax dollars up to a maximum of **\$2,750** per plan year. You can contribute to this account even if you do not participate in the medical, dental or vision benefit plans.

**Dependent Care FSA** - Dependent care expense can be made with pre-tax dollars up to a maximum of **\$5,000** per plan year; \$2,500 if married and filing separately. Examples of dependent care expenses include the costs associated with an individual providing care either in or out of your home or nursery schools and preschool (excluding kindergarten) for children under age 13 or caring for elders.

**Important:** An employee covered by a High Deductible Health Plan and a Flexible Spending Account that pays or reimburses qualified medical expenses generally cannot make contributions to a Health Savings Account (HSA). Tax consequences could result if contributions are made to an HSA. Please consult your tax advisor for further guidance.

## What is the Wex Claim Card?

With the Wex Claim Card you can pay at the point of services for your medical and dependent care expenses. Use the Wex Claim Card to eliminate the need to submit your claim by paper, fax or the website.

## Where can the Wex Claim Card be used?

Use the Wex Claim Card for eligible medical expenses at doctor and dentists offices, pharmacies and vision service locations. Your Wex Claim Card can also be used for eligible dependent daycare expenses, based on the funds available for those benefits as defined by your plan. If a business does not accept the Wex Claim Card, submit your request online, by mail or fax your request to the address on the Reimbursement Form.

## What are the rules for the Flexible Spending Account?

Be sure to choose your annual election amount carefully as you cannot change your election during the plan year, unless you have a qualified change in status, such as:

- Marriage
- Birth or Adoption
- Death
- Employment status change for employee or spouse (Please refer to the Summary Plan Description for details of qualified change in status)

## Carryover balance:

A participant in the Health Flexible Spending Account may roll over up to \$550 of unused amounts in the FSA remaining at the end of one Plan Year to the immediately following Plan Year. Amounts in excess of \$550 will be forfeited.

**Reminder:** Dependents do not have to be covered on the group medical, dental or vision plans for their expenses to be reimbursable under the Flexible Spending Account. You must retain records and documentation that support and validate your Flex System Claim Card transactions. In some cases, you may be required to submit receipt and/or all other related claim documentation to substantiate a claim. If you fail to comply, payment may be denied and/or your card may be suspended.
