# Benefits Rollover

Available to all enrolled employees

## How it Works

- Employees who have at least one cleaning and exam in a policy year but spend less than 50% of the policy year maximum benefit, can enjoy a higher max benefit amount in future years
- Employees can roll over 25% of the policy year maximum benefit dollars to the next year
- A higher max in future years makes the plan more valuable to keep in place
- Adjusted annual maximum can grow up to 2x the policy year maximum benefit
- Employees can track available max dollars through [mutualofomaha.com/dental](http://mutualofomaha.com/dental)

Rollover benefit is administered automatically for all enrolled members.

Example 1:	Example 2:
<p>The member's plan has a \$1,000 annual maximum.</p> <p>During the plan year, the member has two cleanings and examinations and one set of X-rays for a total of \$200 in services.</p> <p>The member can rollover \$250, or 25% of the policy year maximum.</p>	<p>The member's plan has a \$1,000 annual maximum.</p> <p>During the plan year, the member has one cleaning and examination and two root canals for a total of \$900 in services.</p> <p>The employee is not eligible for rollover because they spent more than 50% of their policy year maximum.</p>

Note: Member must satisfy any benefit or late entrant waiting period to be eligible for max rollover. Not available with PreventiveEdge.®

## An Added Bonus for Takeover Plans

The employer must provide a report from their current carrier showing each member's rollover amount.
