City of Ennis to Organize Youth Baseball and Softball Leagues; Registration Now Open

Ennis, Texas – The City of Ennis is excited to announce the opening of registrations for youth baseball and softball league sports. Families with children interested in playing are invited to begin the registration process through the following link or QR code:

<https://forms.office.com/g/XbhKVAPZBW>

After several rounds of discussions and negotiations regarding youth sports programming, the City of Ennis has determined that it will organize and host youth baseball and softball leagues for our community’s children and families.

Lynda Isbell, Mayor of Ennis, shared that, “the City of Ennis is grateful to our Parks and Recreation Department for offering this opportunity for Ennis’ children and youth to participate in organized baseball and softball sports in a safe, structured, and community-centered environment.” City leadership

looks forward to bringing families together through a season of teamwork, sportsmanship, and fun on the ballfield.

Practices for the City-hosted league are expected to begin no later than April 1, 2026, kicking off what promises to be an exciting and joy-filled season for young athletes across the community. Additional information regarding league divisions, schedules, and volunteer opportunities will be shared as registration progresses.

The City of Ennis looks forward to welcoming Ennis’ young players to the field and celebrating a great season of youth baseball and softball. For further questions, please contact City Hall at (972) 875-1234 or press@ennistx.gov.
