

CURBSIDE BULK WASTE PICK UP

GENERAL GUIDELINES

REGULAR TRASH SERVICE

The City of Ennis collects garbage twice a week.

SCHEDULED COLLECTION DAYS

If a holiday or inclement weather prevents a regular collection day, two to three standard kitchen-size bags of household trash can be set on the side of your container for your next scheduled collection day.

Questions about collection days? Call 972-875-1906.

Need to set up an account? Call 972-875-1234 option 2 or visit the Utility Billing webpage.

GENERAL INSTRUCTIONS FOR REGULAR PICK UP

Place containers in front of the home at the curb, with wheels facing the home.

Bag all waste and place it in the container with the lid completely closed.

Avoid obstructed areas. Bins must be 3' from each other and 5' from all other obstructions such as cars, mailboxes, fences, ditches, low hanging wires or tree limbs.

Place container for pickup before 7:00 am on the day of the collection and no earlier than 7:00 pm the day before.

If containers are not placed at the correct location or if there are bags or loose trash outside of the container, a \$10 fee will be automatically applied to the next utility bill.

48-HOUR BULK PICK UPS

Excess or bulky garbage can be scheduled for a 48-hour bulk pick up. Call Public Works after the bulk garbage is set at the curb or edge of the street. Pricing depends on how many cubic yards are set out. An example of one cubic yard is about the size of a washing machine.

Bulk and brush must not be placed under low hanging wires near vehicles, poles, mailboxes or other obstructions.

Please call 972-875-1906 to schedule a bulk pick up or for more information.
