NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of \$0.668238 per \$100 valuation has been proposed by the governing body of Ennis City.

PROPOSED TAX RATE	\$0.668238 per \$100
NO-NEW-REVENUE TAX RATE	\$0.669182 per \$100
VOTER-APPROVAL TAX RATE	\$0.668238 per \$100

The no-new-revenue tax rate is the tax rate for the 2026 tax year that will raise the same amount of property tax revenue for Ennis City from the same properties in both the 2025 tax year and the 2026 tax year.

The voter-approval rate is the highest tax rate that Ennis City may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is also not greater than the voter-approval tax rate. As a result, the City of Ennis is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City Commission of the City of Ennis at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE
CALCULATED AS FOLLOWS:

Property tax amount= (tax rate) x (taxable value of your property)/100

FOR the proposal:

AGAINST the proposal:

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

The following table compares the taxes imposed on the average residence homestead by Ennis City last year to the taxes proposed to be imposed on the average residence homestead by Ennis City this year.
